Coming Events

December 4, 2010 - General Meeting - Christmas Party at the United Church of Christ in Hanapepe starting at 5:30. Our Christmas Party will be held on a Saturday night this year because of scheduling conflicts. The party will be catered and the price will be \$15.00 per person, guests included. Any cancellations must be made ten days prior to December 4th or you will forfeit the \$15.

There will be no grab bag this year as we will be handing out Makana Awards so please check the list in the following pages. If you have earned points, be sure to be there to pick up your awards, or ask a friend to pick them up. Please do not bring your display plants at this time.

Call Gwen Teragawa at 335-3890 if you can help set up for this party and take the tables down after the dinner. We need a couple of strong guys for this.

Please RSVP to Gwen at 335-3890 or 482-0704 or Susie Kaohi at 335-3320 or 652-2947 by November 28, 2010 if you are coming. If they are not home, leave a message.

Bring your check of \$15.00 for membership dues for 2011 and \$15.00 for your dinner.

President's Message

The holiday season is already upon us. I am sure you are all excited about the upcoming GIOS Christmas party. We are expecting a night of 'Makana' excitement and joyful fellowship. There will be no formal general meeting on this date.

2010 is fast coming to an end. You will be pleased to know that our membership has increased, our finances are intact, and participation in the Makana program continues to grow. The Spring and Fall orchid shows, the orchid tour, and speakers for our meetings were well planned and received. I would like to take this opportunity to thank all of the Officers and Board members, all of the chairpersons and the volunteers and members who made this a very successful year.

Mahalo!

Carol Kanna

We have three openings for Committee Chairs, see page 2. Please step forward for the good of our club.

We, the family of the late

RICHARD KAZUTO TERAGAWA

feel a deep sense of loss at his passing, but are comforted by the memories of the love we shared.

To all our relatives and friends, our deepest gratitude for being a part of his life. For your gifts of love, friendship, prayers, words of comfort and support, tokens of sympathy, beautiful floral offerings and monetary gifts, we extend our sincere and heartfelt appreciation.

Thank you again from all of us.

Makana Program

The Makana Program's purpose is to promote a strong and healthy existence of GIOS. We thank all our volunteers who have stepped forward to guide and support our club's activities. Hopefully, this program will be an incentive for others to get involved in the future.

For all GIOS members, there will be lots of extra prizes to purchase at wholesale prices. Orchids will also be sold. Please double check this list. Any questions, call Nancy at 3381423.

Help Wanted - for 2011

REFRESHMENT: Normally at regular meetings, refreshment like pastries and fruits are served with coffee, tea and water. An occasional potluck or catered dinner may require more planning. Make sure that the kitchen is left clean and orderly at the close of the meeting. Maintain a supply of all items necessary to serve the refreshments.

For the Spring and Fall shows, dinner is planned for members who work to set-up the display. Coolers of drinks should also be prepared daily for members who are working during the show and checked prior to the clean-up to refresh members after the final clean-up is done.

FOOD BOOTH: Plan a menu of revenue generating items to be sold at the Spring show. Also, coordinate the permitting, cooking, baking and sales during the show. Proper clean-up at show's end, allows GIOS continued use of the church facilities. Early lunch service prior to show's opening at 1:00 on Friday has proven to enhance sales. Manpower will set-up a tent with tables and chairs on the front lawn to accommodate diners.

LIBRARIAN: Assume responsibility for the maintenance and security of the club's library. Maintain a file of all books, publications, and handouts from speakers to be made available for members to borrow. Research for new items, then with the Board's approval, make purchases. Enforce policy for unreturned items.
