Orchids in Paradise Show

Coming Events

General Meeting: October 9, 2009. The guest speaker for this meeting is Leonard Gines, orchid grower from the Big Island. His topic for the evening will be the Vandaceous family. The meeting will be held at the United Church of Christ in Hanapepe and will start at 6:30. There will, however, be no Orchids 101.

Please bring your display plants. Remember, those that participate will get an extra door prize.

We need to find officers: President, Vice President, Secretary, Treasurer and chairpersons: Awards, Bulletin, By-laws, Librarian, Plant Name Tags, Makana, Membership, Publicity, Refreshments, Show Chair, Show Display and Crafts to help guide our members thru the next two years.

At the meeting we will have info about each position and a preliminary interest sign-up to help fill these positions. You can also email Nancy at nkauai@hawaii.rr.com or call 338-1423 if you want to sign-up now. See list of open positions on page 2.

President's Message

My two years as President has gone by so fast and is sadly coming to an end. We are seeking volunteers to fill positions that will help guide GIOS thru 2010-2011. I'm hoping that many of you will step up to the plate to fill vacant positions. Please don't feel that you are taking the job away from the person who is currently doing it. A lot of us took on extra responsibilities only because no one else volunteered. Please help us and sign up. At this meeting, we will have a preliminary interest sign-up. For those who want to help, we will do our best to find a position that suits your interest.

This was my first time as President. My team and I had many goals. We wanted the club to grow. We started out with 60 members, today we have 99. Another goal was to have more participation in our Spring and Fall shows, East and West Side tours, outer Island tours and our Workshops. I am happy to say 'mission accomplished'. You guys have been great.

Most importantly, we believe we managed to help you to learn more about growing your own orchids so that you can be proud when you see your plants and flowers so healthy and beautiful.

My Aloha to those of you who worked so hard at the Farm Fair. I had a lot of positive feedback about the display. Congratulations to all the ribbon winners and those who got AOS Awards for their plants.

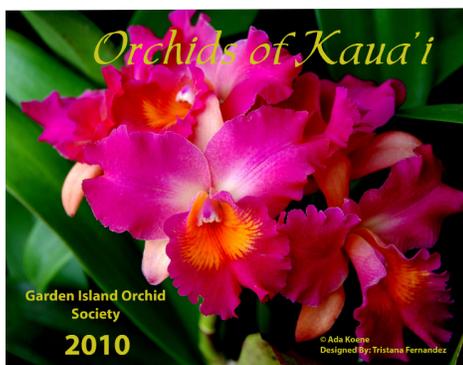

Gwen

Orchids in Paradise 2009

The Annual Orchids in Paradise Show at the Kauai Farm Bureau Fair was another Garden Island Orchid Society hit. While many of us were worried that the plants were blooming late, we had plenty orchids for show. Comments were very positive—the viewers especially liked the openness of the display. Gwen and Richard Teragawa worked very hard in putting up the fancy white lattice backdrop for the display which also served as a convenient place to hang the many members of the Vandaceous Family that were submitted this year. We had lots of Cattleyas and Dendrobiums and a few rarer plants that many of us had never seen before. We were a little short on Phalaenopsis but then this isn't their time of year. It was also nice to see some of the smaller growers win prizes.

Thanks to the many volunteers (too many to mention here) who helped set up the show—next year we will need more volunteers to tear it down and clean up. Also thanks to those who showed up to sell the orchids in the Plant Sale area.

Orchid Photography Show in November

The Kilauea Bakery owners have asked me to display some of my orchid photos that I have taken at our shows or of orchids I have purchased from our members. They will be hung in their bakery during the month of November. Altogether I will show 17 pictures which will include photos on canvas and on art paper. Please stop by if you are in the area. The bakery is open from 6:00 a.m. until 9:00 p.m. daily including weekends. It is located in the Kong Lung Center on Lighthouse Road, Kilauea.
