## President's Message

I want to apologize for my lack of communication with our Bulletin Editor for not letting her know of the General Meeting Date changes which resulted in some of you not getting your news letters before our General meeting on April 3, 2009. I forgot that she was not at the last meeting when the date was changed due to the fact that church needed the Hall. My sincere apologies to all of you and to Ada.

The Spring Show was a great success, and I would like to thank all of you who participated by bringing their display plants for without your plants there would be no orchid show.

Many Mahalos also go out to the following: those who came out to help with the set-up and/or those working at the Show; the orchid vendors who gave up their weekend to sell their beautiful orchids and then donated 20% of their sales to GIOS; Ada and her crew of crafters who made such beautiful things and sold many of them; the O'Donnells who sold our club T-shirts; those who manned the GIOS plant sales table; Anne, Ann, Carol and husband who designed the beautiful display (as always); Ada for publicizing the event; Susie and her refreshment crew and all those who donated baked goods etc.; Nancy and her crew who did the plant name tags, while Mildred and Evelyn helped with the awards; Ann, Susie and my husband Richard for putting up and taking down the signs; Bob and Marlene who did a terrific job with membership, which at last count was 15 new members, and for handling the wishing well and the raffle; the cleanup crew which basically consisted of Carol Kanna and her Ohana; Gwen and her Ohana for putting up and taking down the tent so people could have a cool place to have their lunch, and last but not least Susie for arranging the tables which were under the tent. Luckily we didn't have to pay for the rental of the tables.

All of you contributed greatly to our success.

**Gwen Teragawa**

## We Did it Again. The 2009 Spring Fantasy Show “ Natures Masterpiece” was another a big Success

“Isn’t this wonderful that we just happened to be on this island for this event? “ said a white-haired lady as she passed the craft table. Her husband at her right elbow hastily agreed. They loved everything: the floral displays, the delicious food, the crafts and of course the orchids being sold around the room. I assured them that the flowers could be shipped.

Anne Notley and Carol Yasutake did a good job which we have come to expect from these two ladies who are supported in their endeavors by their spouses. The display was simple and did not distract but made its point: orchids are indeed Natures Masterpiece.

It was a difficult task for our judges, several of whom came over from Oahu for this show.

Bob King and Marlene Domingcil sold lots of raffle tickets and encouraged donation in our wishing well and signed up 15 new members: Barbara Bettes Alexander, Patty Adams (returning member), Pennie Duke, Shelly Takaoka, Ryan Metzger, Bret Knapt, Laura Yardley, Steve Ehrhardt, Mary Griffin (returning member), Greg Schredder, Ron and Melissa Egusa, Marcia McIntiel, JoAnn Lordahl (returning member), Stanley De La Cruz, Delores Gayagas and Kathy Kovala (returning member). Welcome all of you.

Winners of the orchid baskets donated by our orchid growers this year were Carol Bain, Mel Cierres, Tim Kuto, Edith Ruiz, Tony Burton and Diane Horita. Congratulations.

Kudos to President Gwen Teragawa, her board and her helping hands for a well-managed show.
