## Coming Events

**April 8, 2011 General Meeting.** The meeting will start at 6:30 at the Hanapepe United Church of Christ. It will be conducted by the three *amigos*: Al Sugano, Neill Sams and Allen Yamada. They will be bringing orchid plants to start the discussion then will open up the meeting for questions and answers.

**April 16, 2011 Garden Fair** sponsored by the Kauai Farm Bureau at Kauai Community College from 9:00 a.m. until 3:00 p.m.

**May 21, 2011. Local Tour of Na Aina Kai Gardens in Kilauea from 9:30 a.m. to 12:30 p.m.** There is a limit for this tour so we will take payments from the first 36 people who sign up. There will be no refunds after May 7th.

The gardens are normally closed on the weekends, but volunteers are coming in to take us on the tour. We will not have to pay the normal entrance fee but we are asking for a donation of \$10.00 from each participant. If you have any orchids you would like to donate to the gardens, please bring them.

The club will supply cold drinks but if you want lunch, you will have to order ahead of time. The lunch cost will be \$5.00. To get there from Lihue, drive north past the 21 mile-marker and take the first right turn onto Wailapa Road. At the end of the half-mile road, enter through our iron gate and park next to the Orchid House Visitor Center.

Sign up at the General Meeting. Call Gwen at 335-3890 or 482-0704 for more information.

## President's Message

A zillion 'mahalos' to you for putting on a very successful Spring Orchid Show.

To the Show Chair and Display Chairs: Once again 'kudos' to you. "Smoke and Mirrors" orchid display was wonderfully exhibited—a huge success.

To Gwen and her refreshment crew: For preparing and serving a variety of yummy food, I can't thank you enough.

To Ada: for her excellent work in advertising and photography and to Ryan for assisting in the photography. The posters and rack cards were strikingly beautiful.

To the membership chair and her committee: You were great greeters and boosters of our club.

To the Makana chair and volunteers: Quietly you manned your area.

To Judy and her committee: Your countless dedicated hours of preparation and sewing showed in the display of goods.

To Mildred and her awards committee: A job well done.

To the Venders: The club appreciates your participation. You made visitors and locals beaming with their prized purchases.

Humbly and gratefully, Carol

## Judy Matsumoto's Phaius Wins Best in Show

All who attended the Spring Fantasy Show agreed that the show was spectacular and it appeared everyone had a good time. I heard many comments that this was the best show ever. Again people commented that it was well advertised and we owe a lot to Dennis Fujimoto for placing articles and orchid photos in the Garden Island on two occasions. Thanks also to Ron Wiley for having me and Barbara Richter on KONG Radio to talk about the two events. We also need to say mahalo to the ladies who helped to spread the posters and rack cards to hotels, bed and breakfasts, grocery stores and shops all over this island.

Anne Notley and Carol Yasutake did it again with their "Smoke and Mirrors" theme and gave us a good, spacious layout with plenty of room for our visitors to move about.

We appreciated that Mayor Bernard Carvalho and his lovely wife Regina joined us again and they were duly impressed with our efforts.

It was reported that orchid, food and craft sales were brisk as were the door prize contributions.

We have so many people to thank that we cannot list them all. Carol in her President's message pretty well covered it. I personally wish to thank Ryan Metzger for helping me photograph the AOS and First Place Orchids. It was fun having someone to work with on this big job. Thanks also to Hans Zeevat who submitted some of the photos seen on the following pages.

Kudos to Carol Kanna, her board and their committees for a well-run show. It appeared that everything went like clockwork from the moment we opened until we closed the doors on Spring Fantasy 2011.
