

GARDEN ISLAND ORCHID SOCIETY UPCOMING EVENTS

General Meeting—June 14, 2013. Our annual potluck dinner will start at **6:00 PM** at the United Church of Christ in Hanapepe. Please bring a dish to share. After dinner, we'll have a short business meeting and then Gwen Teragawa will demonstrate to members how to propagate Honohonos. 2013 Orchids in Paradise Show at the Farm Fair: August 22-25.

2013 Events: The Big Island tour will not occur in 2013 but an event at the Lawai International Center is being planned for later this year. More specific information will be provided as it becomes available.

PRESIDENT'S MESSAGE

June is our much awaited annual potluck dinner meeting. GIOS members will be sharing their dinner contributions for all to enjoy so this is your opportunity to bring your special dish whether it be a main dish, vegetarian, salad, or dessert.

In a few months, we will be busy again preparing for our fall show. You, as members can do your part by volunteering for makana points and also sprucing up your orchids for the show. It is a great feeling to participate in any way we can.

I look forward to seeing you at our June potluck dinner.

Carol Kanna, President

As Spring Fantasy Show visitors entered or exited the show, they stopped in to see Dennis Olivas (far right). Dennis was able to provide demonstrations on repotting, explanations on taking care of orchids or how to address specific problems. His wealth of knowledge was freely shared and a great asset to the show.

SPECIAL DEDICATION TO ALLEN YAMADA

This year's Spring Fantasy Show was dedicated to Allen Yamada. Allen has been a member of the Garden Island Orchid Society for over 30 years. It was Allen's idea to do an orchid show with sales in the Spring to help raise money for the Society. Allen named the show 'Spring Fantasy' and it has stuck through the years. Allen and his wife Helen (pictured left) have moved to Oahu and will be greatly missed. He has provided great knowledge and support to members by serving as an officer, speaking at meetings, holding special training sessions, and just being available for anyone who has a question. Allen graciously shared his knowledge and orchids. Allen won the Best in Show at this year's Fantasy Show and that is not unusual. He also has received special awards from the American Orchid Society for his orchids. Before the doors were opened for this year's show, members gathered to show their gratitude for everything Allen has done over the years. Thank you Allen.
