## PRESIDENT'S MESSAGE

I want to give a big thank you to all of our members who worked together through donations and hard work to make our Spring Show a success. It is always amazing how an empty space can transform in a few hours into an Orchid Wonderland. The hard work and planning are well worth the effort when you see the look of wonder on folks' faces as they take in the many orchids of our members. Pictures of our orchids grace many of our visitor's homes and represent joyful memories of their visit to Kauai. And I don't want to forget to thank our member's families who pitched in and helped where needed. A special shout out to the Kanna Ohana for setting up and taking down the tent!

Welcome to new members  
Lynn Bingman and Janis Martinez

## SPRING SHOW

This month's newsletter is filled with beautiful orchids displayed at the Spring Fantasy 'Orchids in Wonderland' Show. Nancy Nakama, Display Chair, yet again came up with a great idea for the display. This was another successful show!

There were over 145 cash awards given out. In order to have room for the pictures of special and first place awards, only a summary of awards by owner is included in the newsletter. The detailed information is attached in a separate document and is being sent along with the electronically mailed newsletter. If you only receive a paper newsletter and would like to see a listing of all the awards, check out the library table at the next general meeting.

Our volunteer judges — Dennis Olivas, Allen Yamada, and Tom Godby— had their work cut out for them by trying to figure out which orchids were the “best” of all displayed. Mahalo for all your efforts!
