### General Meetings 2006:

October 13

Christmas Party December 8th

**General Meeting** - October 13, 2006. By popular request, we have asked Scot Mitamura to come to our October meeting and talk about Hono Hono orchids. Scot, as many of you know, is an orchidist for Foster Gardens in Honolulu. He asks that if any of you are having or have had problems with raising Hono Hono, to please bring them as he will be conducting Orchids 101. He will also be bringing Hono Hono for door prizes so this is your chance to pick up this plant.

**December 8th - Christmas Party.** Many members answered our questionnaire by indicating that they would like to have a potluck this year for Christmas. Please see Lenora Sorenson at the October meeting and let her know what you will be bringing - dessert, salad, main dish?

**Tours.** Anyone interested in a Garden Island Orchid Society tour of the Kauai Hindu Monastery and its Gardens in Wailua should contact Ada Koene at the General meeting or e-mail her at thekoes@cs.com.

**Dendrobium Anosmum (Hono Hono orchids) Owner Sylvia Zeevat**

## President's Message

Well, 2006 is almost history – only two more meetings. Remember that the December meeting is our annual Christmas celebration. It is going to be potluck, which means great food and a good variety. I must thank all who participated in our two shows in 2006 and for helping to make them a great success, in spite of the bad weather we had during the spring show.

We have some changes to certain aspects of how we will operate at the Farm Bureau Fair in 2007 and we will give you the particulars very soon.

In the meantime, good planting and we hope you have great orchids coming up. Mahalo to all.

Bob King  
President

## The Garden Island Orchid Society “Orchids in Paradise” 2006 - Allen Yamada wins the Best of Show

Allen Yamada won the Best of Show this year at the Farm Bureau Fair with his *Dendrobium Bracteosum*. For this lovely plant he was awarded the AOS Certificate of Cultural Merit with 87 points. The other two AOS Award winners were David Neifert of Hanalei Orchids and Nancy Nakama. David received an Award of Merit (A.M.) with 82 points for his *Den. Norma Jackson x Ahulani Hinojosa* and Nancy was awarded a Highly Commended Certificate (H.C.C.) with 78 points for her *Den. Ahulani Hinojosa x (Waianae Firebird x Pokai Delight)*. Congratulations to these three members.

*Wally Nakamoto and his judges above.*

We had a very large display this year and wish to thank all who participated by entering flowers for the show and those who worked behind the scenes by designing the display, printing labels, setting up the props, placing the flowers and

for standing guard so our visitors only looked with their eyes and not their hands. Oh, those flowers are so tempting.

We also need to thank Wally Nakamoto and his judges who worked so diligently to award the flowers. Mahalo also to Kauai Nursery for loaning us the greenery for the show and to David Neifert who donated many of his flowers to our orchid sale. There is a tremendous spirit of cooperation in this club and there are so many people who work behind the scenes that it is impossible to mention all of them. We couldn't have done it without all of you.

Our visitors all agreed that it was a wonderful show.

*Ada Koene*

**A condensed version of the Board Meeting of September 24, 2006 follows. For a full copy of the minutes, please contact Lenora at the coming meeting.**

## Minutes, GIOS Board Meeting, September 24, 2006

Meeting called to order at 2:10 PM.

Minutes of previous meeting were read and approved.

Jerry Hollander presented the **Treasurer's Report**. After adjustments for Farm Fair and miscellaneous income (\$3,805) and expenses (\$2044.75), our new bank balance is \$8637.73.

**Christmas Potluck Dinner** plans: Gwen Teregawa will ask those present at the next general meeting in October to sign up for the Potluck and indicate what food they plan to bring [entrée, salad, dessert, sides (veggies, rice, etc.)] so we can have a balanced menu for the evening.

Lenora Sorensen offered to be the **2007 Show Chairman** in charge of the plans for the Spring Fantasy and the Farm Fair. The board approved a budget, not to exceed \$500 for plant display stands (to keep plants off the floor and out of the rain water) at the Farm Fair and other decorative materials to be used in the Fairs.

Allen Yamada attended the Board Meeting and volunteered to be the **Plant Sales Chairman for the 2007 Farm Fair**. The board voted to follow new procedures whereby the Plant Sales Chairman will locate and purchase a wide variety of orchids for sale at the Fair. Members will then staff the plant sales area and sell the plants with a reasonable mark-up to produce revenues for the club.

We also discussed centralizing the **storage** of all the show display materials, renting a van for transport of those materials, and purchasing permanent lane edging materials for use at the Farm Fair.

Signage will be purchased to identify Membership Information along with a permanent washable table covering for the Membership table.

Meeting adjourned at 4:10 PM.
