

GARDEN ISLAND ORCHID SOCIETY UPCOMING EVENTS

General Meeting—October 11, 2013. Our next general meeting will start at 6:30 pm at the United Church of Christ in Hanapepe. After the business meeting our special guest speaker will be Roy Yamakawa. Roy is the County Administrator for University of Hawaii College of Tropical Agriculture & Human Resources (CTAHR). Roy will lay out how to build a Shade House for our orchids which will include a model and different fabrics you can use. The focus will be on building a shade house that is simple and quick to set-up. Before the general meeting at 6:00 pm, Al Sugano will have his first GIOS Learning Center. Al will respond to the submitted questions and talk about the care of the free plants we received at the last meeting.

PRESIDENT'S MESSAGE

Congratulations and a resounding 'thank you' to our show chair, Gwen Teragawa, who orchestrated her chairpersons to another successful GIOS Fall Orchid Show at the Kauai Farm Bureau Fair. I cannot say enough about the volunteers; they are priceless and much appreciated. The display was again beautiful. The public was not disappointed.

2013 ORCHIDS IN PARADISE

The Kauai Farm Bureau Fair held August 22nd through August 25 featured our Garden Island Orchid Society “Our Orchid Isle” display. A waterfall amongst the mountains with orchids was the centerpiece. The orchids were plentiful and the society did a fantastic job of providing orchids and greenery to replicate our garden island. Fair goers were delighted with the display and the ease of taking pictures as most orchids were on display up off the ground.

All first place awards are pictured in this newsletter. Ryan Metzger did a great job of providing professional-grade photos for all to enjoy. This is a tedious task to “pluck” the orchids out of the display into the makeshift photo booth so you can really see the individual beauty of each orchid.

This year additional awards (fourth and fifth place) were added to encourage novice members to bring their blooming orchids. Below is a summary of the awards. The complete list with plant names is available upon request.

GIOS LEARNING CENTERS

Al Sugano will be holding a learning center event before each general meeting. The purpose of the learning center

1. To discuss widespread orchid information (speakers, culture sheets, literature, personal orchids-concerns successes)
2. Hands on culture—working on your own plants
3. Practical learning on culture (fertilizers, water, insects, diseases, media)
4. Quiet informal meeting place
