PRESIDENT’S MESSAGE

Aloha everyone, I’m happy to say we have made our way through another successful Farm Fair event. Congratulations to all of our members who participated. It still amazes me that we can create a garden full of beautiful orchids in a tent on a cement floor in 6 hours! Creative minds and hard work that is what our club represents!

The October meeting will be full of opportunities to learn and to get together with other orchid enthusiasts! It is also the meeting we will be electing offic-

GIOS SHIRTS

T-shirts are available for pick-up. If you haven't picked yours up yet, they will be available at the October meeting. There are also some extras available, so if you didn't have a chance to order one, bring your check book and pick one up at the meeting.

Door Prize

August door prize was Rlc. Sharon Forsythe 'Orange Red'.

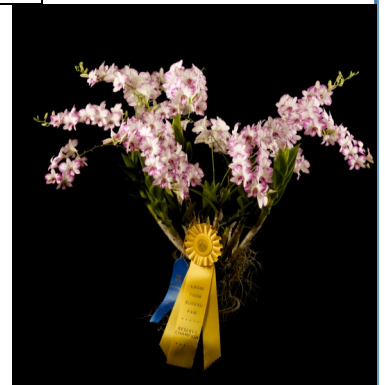

The theme for this years' Orchids in Paradise show was "Tutu's Play Yard". Show Display Chairs, Stacie Boucher and Pearl Wollin, designed a well laid out display. The members brought in their beautiful orchids to provide the colorful vibrant varied display. Congratulations to all the award winners. Below is a summary of the awards that were won identifying the owner and the place that was taken. Volunteers worked hard and creatively in getting the display set-up. We had a slight hick-up on the display tables being delivered but once they arrived, everyone jumped in to complete the display. The fair is long and it takes many volunteers to set-up, work the fair, and then break-down.

DeeDee Gorospe took home the top award with her Gram Scriptum (pictured on page 1). Wow, look at all those flower spikes! The Gram was also identified as the Best Flowering Specimen, Best Grammatophyllum, and the Best Species. Congratulations DeeDee!

Carol Kanna's Dendrobium Enobi Purple 'Splash' took home the Show's second prize of Reserve Grand Champion (pictured below) as well as the best Pink Dendrobium. It was hard to believe that all these blooms came from one plant! Congratulations Carol!
