

# Garden Island Orchid Society Newsletter

May - June 2019

## President's Message

Our upcoming June general meeting will be a potluck and re-potting session. We try to have two re-potting sessions a year because we receive many positive comments from members about the knowledge gained, help received and camaraderie during the sessions. If you have any orchid that you think will be challenging to re-pot be sure to bring it!

The GIOS general elections are scheduled for our meeting on October 11th and I wanted to start the conversation now to give everyone plenty of time to learn about the various positions. The term of office for each of the Officer positions and Committee Chairpersons is two years. The benefits of volunteering and taking a larger role in the functioning of our society are many and include earning Makana points, strengthening your contacts within the organization, and getting to know members who are willing to provide expert advice and support. Following is a list of the GIOS board and committee positions.

**Officers:** President, Vice-President, Secretary, Treasurer

**Committee Chairpersons:** Audio/Video, By-Laws, Librarian, Membership, Newsletter/Webmaster, Plant Name Tag, Publicity, Refreshments, Spring & Fall Shows, Show Display, Show Judging, Show Craft Sales, Show Food Booth, Makana Rewards, Photographer

Stella Shimatsu, the current By-Laws Chair, will have descriptions of the duties for each position at the June and August general meetings. If you are interested in volunteering for one of these positions, please let her or one of the current Board members know of your interest. The broader participation by members in managing and running the club enhances the success of meeting our objective of promoting the culture of orchids. Plus, it's a lot of fun!

See you on June 14,

Elizabeth Borchelt
