September - October 2019

President's Message

Aloha everyone!

Congratulations to all who helped GIOS put on another wonderful display at the Farm Fair. Every year we ask our members to step up and help create a sea of beautiful

orchids in a hot tent on a cement floor in one afternoon. For everyone that volunteers by helping with set up, working security and plant sales, and taking everything down again, I want to thank you. And to all of the members who brought their orchids and placed them in trust that they would come back home unharmed, I want to thank you. And I appreciate everyone's hard work, which allowed me to go to the mainland for an emergency trip. I knew the show was in good hands.

We will be presenting the 2020/2021 GIOS slate of officers and chairs during the next meeting. There are still some open positions. I want to remind you of the many benefits of volunteering and taking a larger role in the functioning of the society. Not only do you earn Makana Points, you will also strengthen your contacts within the organization. Our members are always more than willing to provide expert advice and support.

We will be taking advantage of our member's expertise during our October general meeting. We will have a short business meeting, followed by a Learning Center talk, refreshments, and then a re-potting session. Additional information on the re-potting clinic is included below.

Elizabeth Borchelt, President

Upcoming Events

General Meeting ~ The next General Meeting is scheduled for October 11, 2019, at the United Church of Christ in Hanapepe beginning at 6:00 pm. The meeting will start with a business meeting, followed by a Learning Center talk by Al Sugano. After refreshments, we will hold a re-potting clinic. For the re-potting clinic, members can bring two plants, tools, pots, and a small box to work in. The Society will provide the medium. Also, please bring a blooming orchid for the display table to receive a free keiki orchid.

2019 General Meeting Schedule: October 11 and December 7
